

Day 2

Read Luke 2:25-32

As you read Luke 2:25-32, put a star by each name for God that is mentioned.

How many stars did you draw?

Depending on what translation you read and whether you included pronouns, the number will vary, but you probably got somewhere around 8-10.

There is no doubt that God was with Simeon, is there?

And because Simeon realized God was with him, he recognized who Jesus was right away! He wasn't alone in his waiting, and he knew when the waiting was coming to a close—all because God was with him.

Day 3

The Holy Spirit led Simeon to the temple, then to the temple courtyard and then to Jesus Himself.

But Simeon also had to be paying attention to the Spirit and what God wanted him to do.

Paying attention and staying connected to God through prayer can both help us wait and help us recognize when our waiting is done!

Take some time to connect to God right now. You can walk around as you pray, thinking of Simeon as he walked into the temple. You can find a special spot in your house where you feel closest to God. You could also pray from the place where you find waiting to be the hardest.

Wherever you're praying from, include these things as you pray:

Thank and praise God for making you and for walking with you through life, especially as you wait.

Share with God what you are waiting for right now—or what you sometimes struggle with waiting for.

Ask God to give you the strength to wait until later for what you want now.

Look for God to answer your prayers—perhaps through ways you don't expect!
