

# Easter is celebrating that Jesus is alive.

## DAY 1

### Read John 16:33

Can you think of some things in the world that make you sad? Maybe someone is sick. Maybe a friend at school is mad at you. Maybe you saw something on the news that was scary. Sometimes when bad things happen, we ask, "God, where are you? Can't you fix this?"

The truth is, God already is with us and has already fixed it. Jesus was sent to be our Savior, to make a way for us to have a relationship with God. Of course, that doesn't mean that everyone on earth will stop sinning or messing up. In fact, we all still do things that make God sad, but God is still in control and loves us, and in the end, God promises to make everything right.

### Jesus Wins

Grab some paper in two different colors. Cut a circle out of one color and streamers out of the other. Inside the circle write the words, "JESUS WINS!" Glue the streamers to the back of the circle to create a medal.

## DAY 2

### Read Acts 4:12

When Peter and John stood before the religious leaders who'd had them arrested, they **STILL** shared boldly. They wanted everyone to know that Jesus came to be our Savior and came to fix our broken relationship with God.

Jesus made a way—the only way—for us to have a relationship with God. We can't be "good" enough, do enough right things, make enough good grades, or win enough championships to secure a spot in heaven. Because a relationship with God isn't something you earn, it's a gift you receive. It's offered to all who choose to put their trust in Jesus and what He has done.
